Event Information Sheet

Event Information

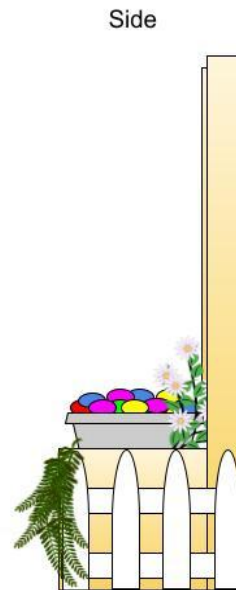

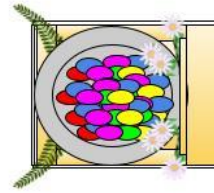

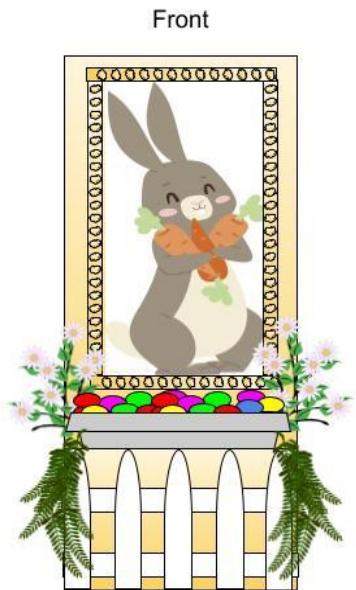

The Easter Family Scavenger Hunt is a simple and fun Neighborhood game from Hoosier Tabletop for the young ones (and young at heart) in your neighborhood. This game is meant to offer an alternative option to the standard Easter egg drop or Easter egg hunt.

We work with you through the entire process to make your event simple and less stressful on everyone involved. A few weeks prior to your scheduled event, one of our team members will meet with you to go through your neighborhood and find 10 safe and “easy/ standout” areas to hide our Bunny Basket Structures. We will then provide a registration page on our website where families can register before the event. This registration page will provide us and you with up to date numbers of participants and allow us to send updates such as delays, reschedules, cancelations, and the day of the event information. Registration will close one day before the event. The day of the scheduled event, one of our team members will install the Bunny Basket Structures in the locations discussed. All you need to do is provide 10 volunteers to fill the baskets with your eggs and standby to answer any player questions and refill the baskets if needed. The “Bunny Family Map” and the “Bunny Family Tracker” will be emailed to all registered families for them to print off a half hour before your scheduled start time along with game details and a list of what they need. Players will use their maps to find the 10 Bunny Basket Structures, grab an Easter egg with their treats inside, and check mark the Bunny Family Tracker next to the Bunny Family member of the Basket they just visited. Their goal is to find all 10 of the Bunny Basket Structures in the time allowed. When your event is complete, one of our members will return to pick up our Bunny Basket structures.

Things to know

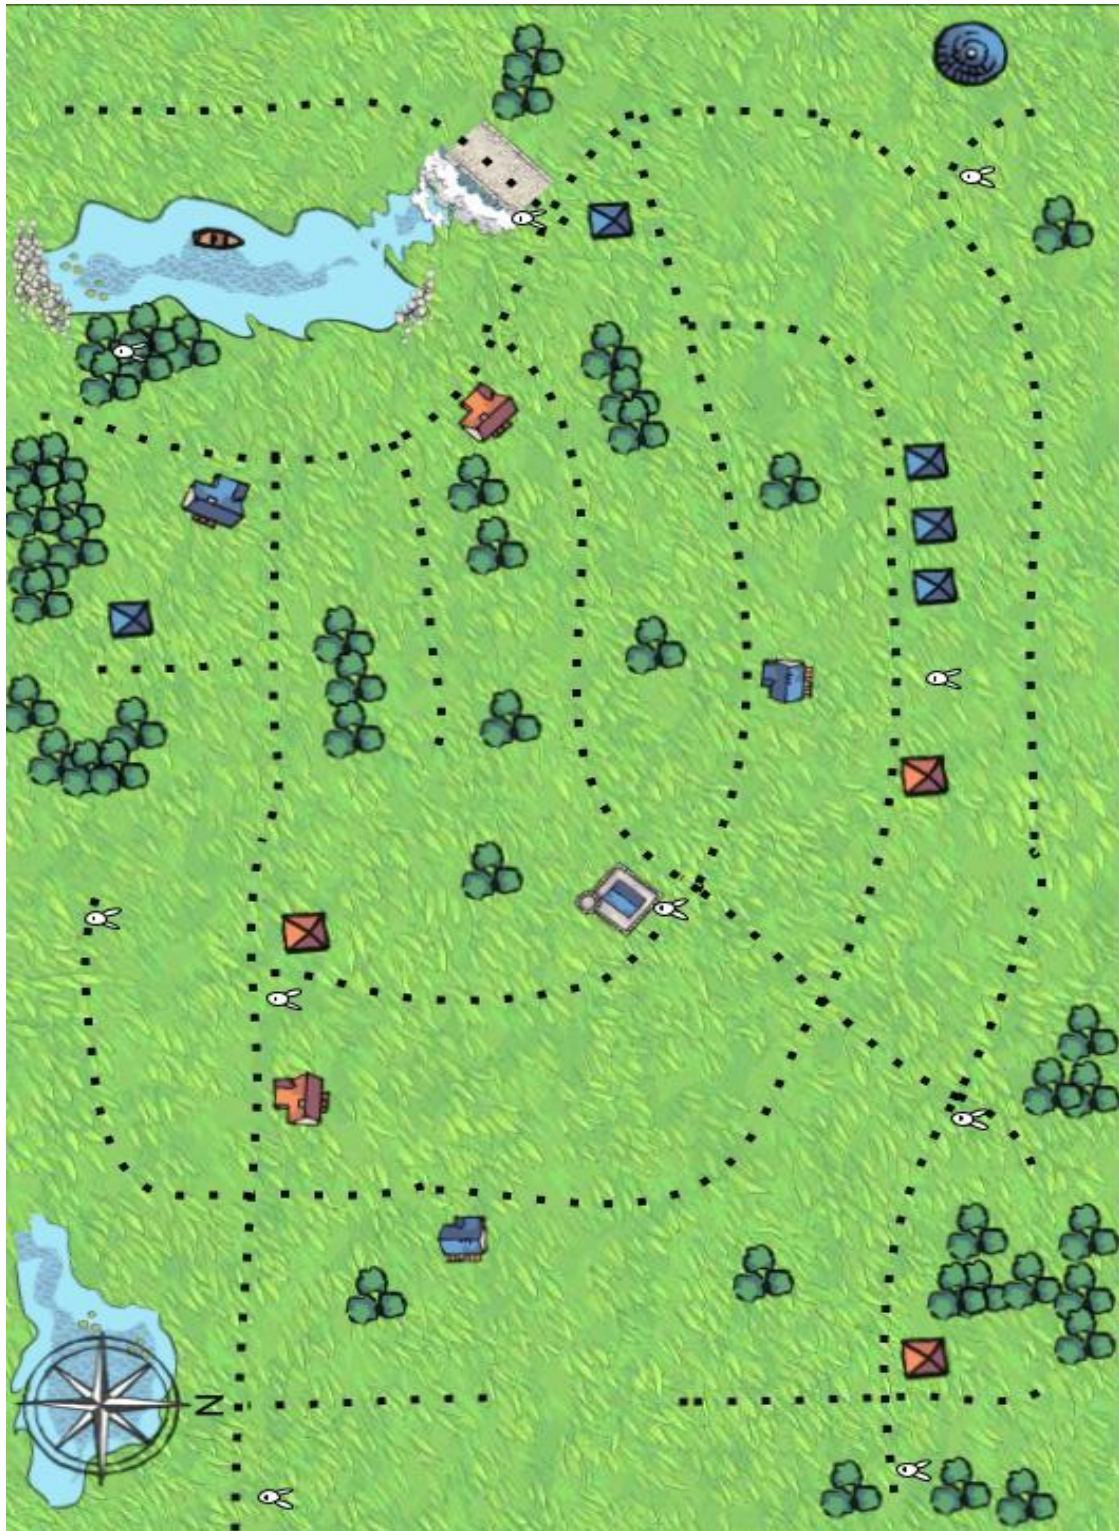

- We will not keep customer emails and will not email them after the event. All gathered information will be deleted from our site upon event completion.
- You will need to provide the eggs and treats to fill our Bunny Structures.
- This is an outdoor event, therefore, weather can be a part of your event schedule. We will work with you on event delays and reschedules with no extra charges as long as it will not cause a delay or restriction for another neighborhood.
- You will be responsible for finding 10 volunteers to man the structures.
